

## Small Works 2023 - New Artist application

Dear Artist,

Each year the Andrew & Laura McCain Art Gallery (ALMAG) curates a seasonal fine art & craft exhibition at the Gallery entitled Small Works. This exhibition features local and regional artists who work in all media.

We support returning artists, and also new artists to keep the show exciting and rewarding for our audience. Small Works' growing popularity has resulted in increased sales each year over the last five years.

The show is unique in that the artists are not required to be at the Gallery. Artists are committed to getting their work to and from the ALMAG. Confirmed artists will be sent an inventory and tag template with your artist code which we will provide. Each item must be individually tagged, even if they are duplicate items (eg cards). Each hanging item requires two tags, one for the wall and one for the back of the artwork. Please bring your completed inventory sheet and tagged items with you at your scheduled drop off time. Inventory must be submitted via email NO LATER than November 1 to [info@mccainartgallery.com](mailto:info@mccainartgallery.com) and approved before work arrives at the Gallery.

Work must be dropped off at ALMAG between November 1 - 15 by appointment unless otherwise discussed and approved with ALMAG.

Unsold works may be collected from ALMAG between January 4-7 2023 unless otherwise discussed and approved.

Insurance: While ALMAG takes every care with your work, We take no responsibility for theft, loss of work or damage. If these are of concern please be advised to take out personal insurance prior to commencement of Small Works.
